NOTE:
Partial Control of Access is defined as one access point per quadrant. For properties with large road frontages (for example, 2500 feet or more), an additional access point may be considered. For properties that have access, such as a side road, access to Southport Supply Rd./NC 211 may be eliminated.

NOTE:
Special Control of Access Designation: No revision shall be made to the Control of Access without the approval of NCDOT, FHWA and NCDENR per agreement and USACE per permit condition.
